Personal Touch

Greetings all!!! We can truly tell that Fall is here. Temps reach only in the low nineties during the day and the high sixties at night. It is absolutely gorgeous, especially with the lack of humidity and clear skies day and night.

Premier is more than just a business that makes you money. It is a service-oriented company that stands behind its independent distributors, its product, its home office associates and its customers. Every day we thank Andy and Joan Horner for their vision of Premier to honor God, enrich lives, pursue excellence in service, and to allow us to grow profitably.

Each day we also thank the Lord for adding each of you to our Premier team. It is not just about sales, but mainly about the relationships we form. We have been so blessed with awesome people in our Premier family, **"YES YOU!!!"**

We will be calling some of you over the next month, however we ask that if you need any assistance in your business, life, or just want to talk; please call us. We are here to serve you our Premier family; and we are so very happy to do it!!!

We Really Do Care, Vicky & John

Coffee with God

Glorify the Lord with me; let us exalt His name together. I sought the Lord. And He answered me; he delivered me from all my fears. Those who look to Him are radiant; their faces are never covered with shame.

PSALM 34:3-5

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not the darkness that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented and fabulous? Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel secure around you. We are meant to shine, as children do. We were born to manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our fear, our presence automatically liberates others.” – from A Return of Love by Marianne Williamson

Leadership Corner

“Joan and I clearly stated our purpose when we began Premier 22 years ago, and it is still the same today: To Enrich Every Life We Touch. This means that we must all serve, care, and share, striving to add something positive to each life we come in contact with, expecting nothing in return.”

- Andy Horner

Premier has declared November “Founder's Month” in honor of our 22nd Anniversary, which is on November 5th. We have been in Premier for over ten years, yet we never tire of hearing the Purpose, Philosophy and Plan of Premier Designs. It fills us with hope and joy, and we know it was a dictate of God, not just of two special people in our lives. They have never changed what they started, and truly care about each of us.

If you have not read the book, “*By Chance or By Design*” or its sequel, “*By Design*,” then we ask that you do so within the next month to assist you for the year 2008. Andy and Joan will not be around forever, however it is up to us to continue their legacy and provide *hope* to others. It is also up to us, as leaders, to carry on Premier's traditions, as well as its Philosophy, Purpose and Plan.

2008 will be here shortly; may we all truly reflect on our company, its purpose, and our purpose in life, so that we may carry on the example of Andy and Joan. We are not just the best jewelry company in America; we are impacting lives around the world and even in our own homes.
