You are not going to believe
how much  jewelry
Premier gives you when you
host your own girl's night!

Let me show you what all that
 jewelry looks like. If
you like me, you have to see it
to believe it!

My goal for each hostess is at least a
\$400.00 show.

30% of \$400.00= \$120 (about 5 pieces)

Our Bonus Plan - \$25 for each certificate earned

That's **\$100** if you earn all 4

You also get to buy 4 to 8 items at **1/2 price**.
Premier gives you 30% of that back in free

The nosiest questions...

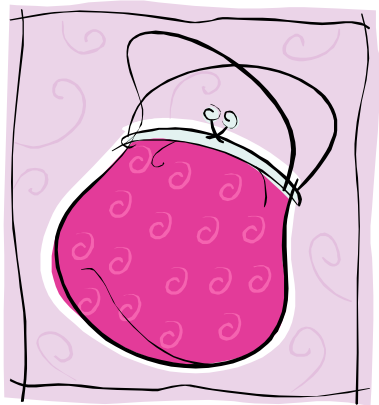

about my business...

Ask It Game

- **#1 How many shows do you do a week?**
- Your personal answer followed by the great thing about Premier is that we don't have any quotas to be a jeweler so it allows us the freedom to do as much or as little as we want.
- **#2 How much money do you make?**
- There are two different ways to make a profit with Premier. The first is just by selling the jewelry, whether it's to someone that complements your jewelry in the grocery store/restaurant or in a girl's night situation like this. Either way, you make 50% profit of everything that you sell. Then we also have the opportunity to help others get started and we make a percentage of their sales as well.
- **#3 Who pays for the hostesses free jewelry?**
- Premier does and I'm so glad they do! If I had to give my hostess \$200 or more in free jewelry, I wouldn't make very much money would I? So that comes from Premier not out of my profit.
- **#4 Do you stock inventory and do you make deliveries?**
- No! The way this works is that you place your order tonight and once all of the orders are collected, your hostess picks out all of her free jewelry. Then I place the order with Premier and they ship it directly to her in about 2 weeks. She is going to be so happy because Premier has already sorted everything for her so all she has to do is grab the bag with your name on it and give it to you. It's that easy. So I don't have to keep any inventory, all of this is mine, and I don't have to sort jewelry or make deliveries.
- **#5 How could I get started with Premier?**
- If you were curious about Premier the first step would be for me to give you all of the information you need to make the decision if it is right for you. From there we would look at the amount of time you have to invest and we would schedule your training show and get you started. At your training show, I'll do all of the work but you are the hostess so you get all of the free and ½ price jewelry, plus you are the jeweler as well so you get all of the bookings to get your business started and the 50% profit so you start making money right away. I help you every step of the way.
