

Holiday Gift Memo

TO: My New Friends and Neighbors

SUBJ: PREMIER DESIGNS SHOPPING SPREE

There are only  weeks until Christmas!!!!

Are there limits to the amount of time you have to go and purchase gifts for your family, friends and office staff? If you answered, "Yes!", then Premier Designs' Shopping Service is here to assist you with your holiday season gift buying!

Christmas time is when we all want to express our love and appreciation to ones who mean so much to us. As an Independent Distributor for Premier Designs, I am available to help you make these most important (and sometimes stressful) purchasing decisions. Our High Fashion Jewelry comes in a variety of styles and is worn by thousands and thousands of ladies all across America. We have beautiful jewelry for even the most conservative and dramatic women in your life. I also offer gift certificates in various denominations. These will come beautifully packaged and ready to give.

I would appreciate the opportunity to make an appointment and come by your office or home for a few minutes to show you my beautiful line. And remember, with jewelry, there are no colors or sizes to worry about either. In as little as 30 minutes or so you can make all your selections.

And to make this easy as possible, I can even gift wrap your selections. Can you think of an easier way to take care of your Christmas Shopping List? Neither can I!

I will be calling to follow up with you in the next week or so. I look forward to answering any questions you might have.

Sincerely,
